#### **The Treasurer's Report:**

The Financial and Cost Study Reports for May 2008 were read and accepted by Kirk Pabon and seconded by Janet Orengo. Board members each received a copy of the budget worksheet for the 2009 season. Each member must complete their budget and include things that are affected by their positions. They also are expected to submit a wish list on other projects that are a goal to be accomplished. Discussion will take place at the August meeting so that the budget can be voted on in September.

#### **The Safety Officer's Report:**

Nothing to report.

#### **The Umpire in Chief's Report:**

Rob Rivera is in the process of gathering players from the men's adult league to hold the clinics. The breakdown for the clinics will be as follows:

Week 1	Pitching and catching
Week 2	Running Bases and Infield Positions
Week 3	Outfield
Week 4	Hitting Instruction

Fall Ball will follow the clinics. We will decide on a date to hold registrations in the office for fall ball for anyone that does not wish to sign up online.

#### **The Equipment Manager's Report:**

Kirk will set a date for uniform and equipment returns at the office.

#### **The Vice President's Report:**

Al added dirt to the fields and announced that the dugouts are completed. Al also stated that he is disappointed with the lack of participation with setup and take down at the fields for the all star games. Everyone is expected to help out so that the same people are not there at the beginning and end of every game doing everything. He expects that there will be more involvement as the tournaments continue.

**The President's Report:**

Erin discussed the banquet, and it was decided that we will be providing hotdogs, chips and soda for all people that attend. A gentleman from Angelo's team has donated 500 hamburgers for the event which is greatly appreciated. We will be looking into renting a large grill for the banquet. Postcards were sent out for the banquet.
